

URGENT! URGENT!! URGENT!!!

BATH ROAD RESERVOIR – PUBLIC MEETING

Dear Residents

As you may be aware, on 14th and 16th May Thames Water will be displaying new plans for the redevelopment of the Bath Road Reservoir, following their unsuccessful attempt to obtain planning permission to develop this site last year.

The Save the Bath Road Reservoir Group warmly invites you to attend a public meeting regarding the implications of the proposals for the Reservoir site. Speakers will include Alok Sharma (Conservative Parliamentary Spokesman for Reading West), Paul Gittings (Labour Minster Ward Councillor) and other interested parties. We will update everyone on events to date, give more detail on Thames Water's latest plans & ways to oppose it. There will be a Q&A session to give you the opportunity to ask questions.

MEETING DATE: Weds 13TH May 2009, 7.30pm
MEETING LOCATION: ALL SAINTS CHURCH HALL,
DOWNSHIRE SQUARE, Reading RG1 6NN

Please ensure you arrive early to ensure you get a seat. If you have any questions please telephone either Graham on 07808 143649 or Mel on 07866 500854
